

February 6, 1974

PRESIDENT: Senator Dickinson.

CLERK: I have a motion to cease debate. (Signed) Senator carpenter.

PRESIDENT: I've already recognized Senator Dickinson.

SENATOR DICKINSON: I'll be very brief, Mr. President and members of the Legislature. I simply rise to support Senator Marsh and her bill, we've done a lot of agruing about rather foolish amendments and I think the bill is not foolish, but serious. As one who has been a member of the society of smokers or was about seventeen or eighteen years of my life. I can look at this from both sides of the issue. I think Senator Kelly expressed the rules real well, we simply soemtimes forget to be courteous, and this would sort of be a firm reminder to do that very thing. I certainly support Senator Marsh's bill.

PRESIDENT: There is a motion to cease debate. I see five hands. Those in favor vote aye, those opposed vote nay. Have you all voted? Clerk will record.

CLERK: 28 ayes, no nays, Mr. President

PRESIDENT: We have ceased debate. Does Senator Marsh wish to close? There will be no questions after she has closed.

SENATOR MARSH: I move the advance of LB 600 to E & R Initial.

PRESIDENT: The question has been called for. Those in favor say , I mean vote aye, those opposed vote nay. Senator Whitney voting aye.

CLERK: Senator Whitney voting aye.

PRESIDENT: Clerk will record.

CLERK: 34 ayes, 8 nays, 8 not voting, correction 7 not voting.

PRESIDENT: LB 600 is advanced to E & R Initial. The next bill is LB 778. The clerk will read the title.

CLERK: LB 778. There are committee amendments by Senator Tom Kennedy, Public Health Committee.

PRESIDENT: Senator Kennedy.

SENATOR KENNEDY: Yes, Mr. President and fellow members, the committee amendment would be to add the emergency clause. And that's all. I ask that this be added to the bill.

PRESIDENT: Any discussion? If not, we will take a voice vote. Those in favor of adding the emergency clause say aye, those opposed no. The emergency clause is added. Any further amendments? Mr. Clerk.

CLERK: None.

PRESIDENT: Chair recognizes Senator Snyder.

SENATOR SNYDER: Mr. President and members of the Legislature. This bill was introduced by me on behalf of the Podiatrists of Nebraska. It would allow them to administer local anesthetic All other anesthetic practices would still have to be administered by a duly qualified person. There was no opposition on this
